INTRODUCTION TO AQAA'ID

Our faith is based on the unseen, as taught to us by Nabee Muhammad ﷺ. We can only be true Muslims if our beliefs are in accordance with the teachings of Nabee Muhammad ﷺ.

Nabee ﷺ was once asked to explain faith. He replied:

"To believe in Allaah ﷻ, His angels, His books, His messengers, the Last Day, and to believe in the good and bad (that unfolds) according to taqdeer." (Muslim)

We neither question the unseen nor doubt His teachings. Our belief also requires absolute love and submission to the commands of Nabee ﷺ who stated that:

"None of you (truly) believes until I become more beloved to him than his father, his son and the rest of mankind." (Bukhaaree & Muslim).

"He who bears witness that there is no object of worship except Allaah ﷻ and Muhammad - is the messenger of Allaah ﷻ, Allaah ﷻ has made the fire forbidden for him." (Muslim).

The key to the doors of paradise is belief. If our beliefs are incorrect or incomplete, then though we may perform the deeds of a Muslim, look like a Muslim and even have a Muslim name, we will not be judged as such by Allaah ﷻ. All our deeds will be ruined and we shall face eternal loss.

Nabee ﷺ has said:

"The Banoo Israa'eel broke up into seventy two sects, while my ummah will break up into seventy three sects. All of them will be in the fire except one group. They (the companions) asked: 'who will they be, O Messenger of Allaah?' He replied: '(The group whose beliefs are in accordance with my companions and I. (Tirmizee)

This belief system is known as "Aqaa'id". Our Aqaa'id will protect us from falling into one of the seventy-two sects and will *Insha Allaah* secure our place in Jannah.

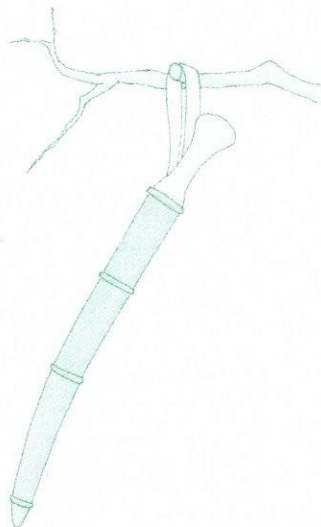

Allaah تَعَالَى is the Greatest

We know that every object requires a maker. A house requires a builder, and clothes require a tailor. Nothing comes into existence on its own. In the like manner, there must be a Creator for the heavens and the earth. There must be a Power who controls the movement of the sun and moon. The Holy Quraan states: "Who is it that created the heavens and the earth, Who sends rain down to you from the sky and with it He causes orchards to grow- full of beauty? It is not in your power to cause the growth of trees. (Can there be another) deity besides Allaah?"

1. Allaah تَعَالَى is one and there is nothing like Him.
2. Allaah تَعَالَى has no sons or daughters.
3. Allaah تَعَالَى has no beginning or end.
4. Allaah تَعَالَى is not dependent on anyone or anything.

Story one

Once Nabee صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ and his friends were returning from battle. They decided to rest for a while. Nabee صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ hung his sword on a tree and lay down to sleep. An enemy saw Nabee صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ sleeping and decided to attack him. He grabbed the sword and standing over Nabee صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ asked: "tell me, who can save you from me?" Nabee صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ calmly replied : "ALLAAH". The enemy got such a fright by this answer that he dropped the sword. Nabee صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ picked up the sword and asked him: "Now, tell me, who can save you?" The man replied: "None besides you". Nabee صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ forgave the man and let him go.

Allaah تَعَالَى will destroy the mountains, the sun, moon, and everything in the heavens and on earth. Allaah تَعَالَى created us and placed us in this world to test us, to see how we obey Him and how we prepare for our real and everlasting life in the hereafter. One day he dreamt that it was qiyaamah and Allaah ﷻ called him before the people and told him about his dishonest practices. He was very embarrassed and afraid. The Foundation of Islaam

Islaam is like a building that rests on five pillars. These five pillars are the most important acts of worship that give support and strength to the building. If any of these pillars are missing then the building of Islaam will be weak and may collapse. The foundation of Islaam is based on fulfilling the rights of the Creator and the rights of the creation. A good Muslim is therefore one who is obedient to Allaah and who is Just and Merciful to the creation of Allaah.

The five pillars of Islaam are:

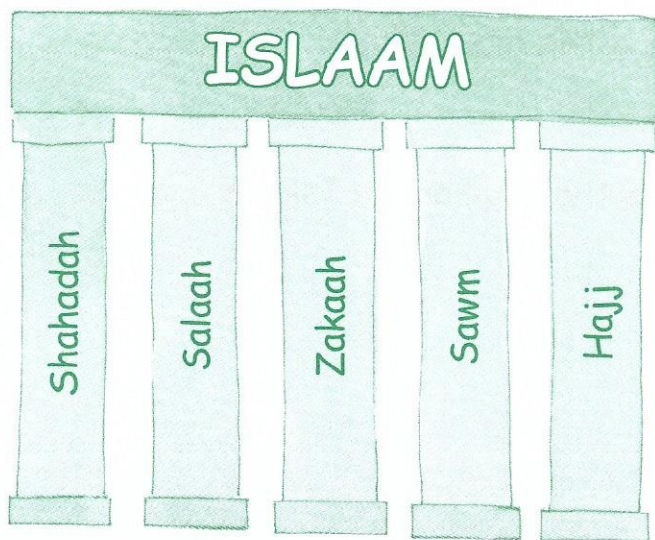

1. To believe that Allaah is one and that Muhammad ﷺ is His messenger.
2. To read the five daily Salaah.
3. To pay Zakaah once a year.
4. To fast in Ramadhaan.
5. To go for Hajj.

Therefore we must make an effort to do all good deeds such as Salaah, Zakaah, Hajj, Fasting in Ramadhaan and many other good deeds. This will help us on the day of Qiyaamah.
