

I'm so glad we are back in our classroom
And we are in it together
Through thick and thin

I know we'll have fun
Enjoying and learning together

Here's a little gift

To set you off on the "write" start

Remember that I will always be there
If you ever need a hand

Love, Apa _____

I'm so glad we are back in our classroom
And we are in it together
Through thick and thin

I know we'll have fun
Enjoying and learning together

Here's a little gift

To set you off on the "write" start
